TOMORROW IS TODAY

OMEGA HORSE®

Improves blood perfusion. Doping free.

OMEGA HORSE® is a nutritional supplement based on fish oil, which provides longchain Omega 3 fatty acids EPA/ DHA, whose benefits are, among others, to improve blood perfusion and joint function; contributes to the immune and anti-inflammatory response and provides healthy skin and shiny coat to the animal.

OMEGA HORSE® has a pleasant apple flavor, is easy to administer and is doping free.
